MADICO®

The Clear Choice for Automotive Film

Charcoal
automotive tint
cuts heat and glare
while offering a
classic look.

CHARCOAL
BY MADICO

Combining classic looks and functionality, Charcoal automotive tint offers rejection of heat and glare, while blocking 99% of UV rays.

If you're looking for a film that won't interfere with your use of cell phone, GPS, satellite radio, and tire pressure monitors, Charcoal is the film for you. Charcoal is available in several shades to make it easy to customize your car to your preference. Charcoal comes with a Manufacturer's 7 Year Warranty.

Charcoal Features:

Good heat rejection

Classic grey color

Metal-free construction
won't interfere with wireless
or satellite connections

Available in several shades
to accommodate any driver's
preference

Helps keep shattered glass
together in the event of an
accident

Durable, UV stable
construction
